The New Hampshire Racing & Charitable Gaming Commission, in compliance with the requirements of RSA 284:11, respectfully submits the following report of activities for the year ending December 31, 2008.

Interest in Charitable Games of Chance is on the rise. This may be due in part to the popularity and interest of the Texas Poker Hold'em tournaments being televised. Charities are promoting these events as important fund raising activities to their members and the public at large.

Gaming in New Hampshire continues to evolve and the consumer's interests in such activities are constantly changing. On July 11, 2008 the legislature changed the name of the Pari-Mutuel Commission to the Racing and Charitable Gaming Commission, which better describes the agency's activities at this time.

Charitable Games of Chance was very successful for the charities that decided to participate in those events. New Hampshire charities received over 11.6 million dollars to further their causes in 2008 from all charitable gaming. The Commission has received many letters of appreciation and thanks from the charities for making these events possible. Charitable Bingo, on the other hand, is significantly on the downturn. One of the major factors voiced by the industry is that there is no smoking at public halls.

Unfortunately, the greyhound track in Hinsdale closed in the latter part of the year due to financial difficulties. Because the Commission was aware of the situation at the track, the Commission held regular meetings with track management and officials to monitor the entire

operations of the track. Due to the nature of the process, the Office of the Attorney General became involved at the request of the Commission made on June 2, 2007. Thereupon, the Commission proceeded under the guidance and in concert with the legal counsel of the State. Among the main concerns of the Commission were the welfare of the employees at the track, the well-being of the greyhounds housed there, the integrity of the wagering at the track, and the accounting of revenue due the State.

New Hampshire tracks have difficulty attracting a high grade of race horses. This is due to the purse structure and industry competition. At this time, New Hampshire does not have any racetracks racing on a year-round basis. In the historical section of this report you will see the downward trend of live racing. It is anticipated that for the foreseeable future most licensed racetracks will run approximately fifty (50) live calendar days. This is the minimum requirement under the statute to allow for year-round simulcast wagering. Rockingham Park is now the only licensed horse racing track in New Hampshire, as the Rochester Fair elected not to seek a license for Harness racing in 2008. Live and simulcast pari-mutuel wagering continues to be depressed under the current market conditions.

The Commission requested several changes to the gaming laws in 2008 with the objective of protecting the charities, the public and improving the integrity of gaming in New Hampshire.

The following legislation was endorsed by the Commission and subsequently enacted into law:

- Authority to increase the Bonds on Primary Game Operators from the current \$20,000 to an amount up to \$300,000
- Authority to do FBI background checks on Primary Game Operators
- Authority to monetarily fine any licensee for violations of Games of Chance statutes and rules
- Authority to require all Primary Game Operators to maintain banking accounts associated with charitable events at a financial institution that maintains an office in the State of New Hampshire
- Authority to establish positions of internal auditors to be able to monitor financial transactions of all licensees

The Commission will continue to seek the support of the executive branch and legislature for changes in rules and statutes that will protect the public, improve the wagering experience and maximize revenue for the state.

The members of the New Hampshire Racing and Charitable Gaming Commission wish to thank the Governor, members of the Executive Council, the General Court and all agency personnel with whom we have worked for their continued support and cooperation.

Respectfully Submitted,

Timothy J. Connors

Overview of Racing & Charitable Gaming Operations for Calendar Year ending 2008

State revenue from racetrack pari-mutuel activities for the year 2008 was down 20% from calendar year 2007. State revenue from gaming activities for the year 2008 increased from 2007 by 33% mainly due to the new Games of Chance assessment fee that impacted the second half of the year.

Pari-mutuel tax and breakage revenue* from each licensed track for 2008 was:

	<u>2008</u>	<u>2007</u>	<u>Change</u>	<u>% of Change</u>
The Lodge at Belmont	\$ 695,088	\$ 895,503	(\$200,415)	(23%)
Hinsdale Greyhound	\$ 439,200	\$ 647,287	(\$208,087)	(33%)
Rochester Fair	\$ 0	\$ 4,654	(\$ 4,654)	(100%)
Rockingham Park	\$ 992,940	\$1,162,655	(\$169,715)	(15%)
Seabrook Greyhound Park	\$ 596,718	\$ 681,899	(\$ 85,181)	(13%)

*(The amount of tax and breakage is a combined total of all simulcast and live racing. Specific breakdown of live versus simulcast is shown in the statistical section of this report.) Simulcast revenue accounts for 98% of the total tax and breakage from the racetracks and 2% comes from live racing.

Outstanding tickets (unclaimed tickets) accounted for additional revenue of \$720,885. Reimbursements from the racetracks for the veterinarians' and judges' salaries resulted in \$129,929 of revenue and racing license fees & fines amounted to \$46,285.

Bingo, Lucky 7 & Games of Chance charitable events continued to generate a revenue stream to the Education Trust Fund of about \$1.3 million, net of expenses, and supplied a revenue stream to the charities to advance their charitable causes.

Charitable Games of Chance remain popular. State revenue is received in the form of licensing fees from the charities, primary game operators, secondary operators, badge fees and facility license fees. Those fees totaled approximately \$158,000 in 2008.

Legislation was passed effective July 1, 2008 assessing a new fee on the Games of Chance which generate revenue to the General Fund, net of expenses. Those fees totaled over \$736,000 for the last six months of 2008 resulting in a transfer to the general fund of \$618,000 that represented net revenue for July-November 2008.

Total amount of wagers (sales) in 2008:

Racetracks pari-mutuel wagers:	\$224,574,970
Bingo:	\$ 17,869,831
Lucky-7 Tickets:	\$ 64,658,752
Charitable Games of Chance:	<u>\$ 45,199,286</u>

For a total of: \$352,302,839

HORSE RACING PARI-MUTUEL TAX HISTORY

Pari-Mutuel wagering on horse racing became legal in New Hampshire in 1933. The tables below show the tax structure for horse racing in the state. The tax structure for harness from 1957 to 1982 was on a graduated scale based on handle. WPS indicates that the rates apply to win, place, and show pools only. Multi indicates all other pools, such as daily doubles, trifectas, and quiniellas. Breakage in 1933 was kept by the track. From 1939 to 1997 it was split evenly with the state. In 1997, the legislature changed the law to require that 50% of the state's share of breakage be returned to licensee for live racing purse enhancement.

GREYHOUND RACING PARI-MUTUEL TAX HISTORY

Greyhound racing has been legal in New Hampshire since 1971. The tax structure has been quite complicated at times, because of a system of tax credits and graduated tax rates based on handle. The table below shows the range of tax rates in place since 1971 as well as the tax credits. Breakage on greyhound racing has been split 50:50 between the track and the state. In 1997, the legislature changed the law to require that 50% of the state's share of breakage be returned to licensee for live racing purse enhancement.

BINGO HISTORY

Bingo, formerly regulated as beano, has been legal in New Hampshire since 1949. In 1949, RSA 287 was enacted to regulate beano. In 1983, RSA 287 was repealed and re-enacted as RSA 287-E to regulate bingo. A tax of 5% was imposed in 1983 on winner-take-all games pursuant to RSA 287-E:8. The tax was raised to its current level of 7% in 1990. Pursuant to Chapter 257 of the Laws of NH 2004, authority for administration of bingo was transferred from the Lottery Commission and enforcement of bingo was transferred from the Department of Safety to the Racing and Charitable Gaming Commission on January 1, 2005.
